

VIRTUAL FIELD STUDIES

We've gone virtual!

Let us bring our high-quality elementary, middle and high school programming to your classroom and to your students' devices.

- One hour of unique, engaging enrichment
- Stimulating curriculum
- Live interaction through Zoom
- Educators in period clothing, when applicable
- Specific, grade-level offerings
- Translate academic standards (GSE/AKS) into real world experiences
- Customizable to include hands-on activities, live exchanges with students, and cross-curricular topics

Onsite field trips and outreach programs also available.
Limited number of participants and social distancing measures will be practiced.

\$100/class

(\$20/Non-Gwinnett resident fee applies)

**It is easy and convenient.
