## Overall Progress Narrative:

The Gwinnett County Neighborhood Stabilization Program (NSP) was established with the purpose of stabilizing communities in the County that have been hit hardest by the foreclosure crisis. Through this valued program Gwinnett County acquires homes that have been foreclosed or abandoned. These homes are then rehabilitated and sold to income eligible homebuyers.

From March 5, 2009 through December 31, 2014, Gwinnett NSP has acquired 14 single-family properties identified for rehabilitation and resale to low-income homebuyers and 76 properties for moderate- and middle-income homebuyer. To date, 11 rehabilitated homes have been sold to low-income homebuyers, and 74 to moderate- and middle-income homebuyers.

Gwinnett County has received \$10,722,825.18 in program income due to the resale of rehabilitated properties. These funds, in combination with the grant award (\$10,570,827.00), are expended to meet the national objective of housing low- to moderate-income persons. Grant to date, Gwinnett County has expended \$21,293,652.18 which represents 99% of all grant funds (program income and program funds) and 200% of the original grant award.

Gwinnett County staff continues to prepare to closing out its HUD funded NSP1 grant on or before July 2015. During the reporting period (October 1, 2014 &ndash; December 31, 2014), Gwinnett NSP acquired one property and disposed of one property to an income-eligible household. Gwinnett County NSP staff currently in preparation of grant closeout. All beneficiary data is now reported identifying properties closed and National Objectives achieved.
