Summary of Distribution and Uses of NSP Funds:

On November 19, 2013, the Gwinnett County Board of Commissioners approved a substantial amendment to the County's 2010 Action Plan which called for an expansion of the target area for the Neighborhood Stabilization Program (NSP). Data received by the U.S. Department of Housing and Urban Development identified the entire county as an area of high risk of foreclosures, therefore prompting the target area expansion.

This expansion was a necessary action as the housing stock in the originally approved target area (Census Tracts 50521, 50523, 50516, and 50509) had begun to shrink drastically. Gwinnett County is proposing this county-wide expansion of NSP3 funds in order to increase the program's capacity to acquire properties in a challenging market.

When calculating its new target area Gwinnett County utilized the NSP mapping tool that HUD provided for entitlement grantees. With each of Gwinnett County's census tracts selected the proposed Target Area scored an average of 18.02. This falls well above HUD's requirements for Target Area expansion.

The current and proposed maps of the NSP3 Target Area, the substantial amendment, executed SF 424's, and the data that was utilized to determine the new expansion area was submitted to HUD on December 20, 2013 for review/approval.

Funds will be used to purchase foreclosed residential units, including single family, duplexes and other multiple family units to sell or rent to low- and moderate-income families, including the provision of financial assistance to homebuyers.

How Fund Use Addresses Market Conditions:

The purchase, rehabilitation and sale of homes to purchasers willing to make a long term investment into their homes, along with aggressive code enforcement, crime prevention, home improvements to existing homes, and strengthened neighborhood associations will be a major step toward stabilizing housing prices, improving the character of the neighborhood and stabilizing the social fabric of the target area. Working together, the Gwinnett Neighborhood Stabilization Program, the City of Lawrenceville, the Lawrenceville Housing Corporation, the Gwinnett County HOME Program, the Gwinnett County Homeowner Housing Rehabilitation Program and the selected Asset Manager(s) can make a major impact in the target area.

Ensuring Continued Affordability:

Gwinnett County will assure long-term affordability by incorporating the use of promissory notes and deeds to secure debt that contain recapture clauses and the use of shared equity loans.

Long-term affordability is provided to the homebuyer through a soft second loan. The terms are \$14,500 for five (5) years or \$22,500 for ten (10) years at zero (0%) interest rate with no scheduled payments, and with the principal being reduced proportionally each year starting in the first year. At any time during the loan period, if the house is no longer occupied by the homebuyers at his/her principal place of residence, any remaining principal must be repaid to the County.

Upon the occasion of the sale or transfer of ownership of the property by the Asset Manager, the Asset Manager(s) will repay the NSP program. This and any other funds realized from the sale of the property will be Program Income, with no less than 90% of income being used to for NSP 3 eligible activities. Not more than 10% of the Program Income will be used to administer NSP 3.

Rental housing will be provided by an Asset Manager(s) selected by Gwinnett County. The GCNSP will loan the Asset Manager(s) the funds to purchase and rehabilitate rental units, including initial capitalization funds. The loan(s) will be backed by promissory notes, security deeds and land use restrictions that set forth the responsibility of the Asset Manager(s) to provide housing for low-income households during the affordability period for each respective property. These documents will have reversion provisions if the Asset Manager(s) does not provide the housing as set forth in the documents.

Definition of Blighted Structure:

The City of Lawrenceville Codes do not use the term blighted structure, but does define Nuisances in Chapter 33 of the City Code of Ordinances. Nuisances include buildings, dwellings, or structures which are dangerous or injurious to the health, safety or morals of the occupants of such dwellings, buildings or structures The City of Lawrenceville will use this Nuisance definition from its Code of Ordinance as its blighted structure definition for the NSP 3 project:

33-101 Definitions

For the purpose of the Chapter, the following words shall have the meanings respectively ascribe below:

- a. Nuisance . Anything which causes hurt, inconvenience, or damage to another, provided that the hurt, inconvenience or damage complained of shall not be fanciful or such as would affect only one of fastidious taste, but rather such as would affect an ordinary reasonable man; and the fact the act done may otherwise be lawful shall not keep it from being a nuisance.
- b. Nuisance, per se. An act, occupation or structure which is a nuisance at all times and under any circumstances, regardless of location or surroundings.

- (c) The exercise of the powers conferred upon counties in this Code section and in Code Sections 41-2-8 through 41-2-17 shall be limited to properties located in the unincorporated areas of such counties."

Definition of Affordable Rents:

Gwinnett County defines Affordable Rents as the Fair Market Rents published annually by HUD for the Housing Choice Voucher Program.

Housing Rehabilitation/New Construction Standards:

The Gwinnett County Neighborhood Stabilization Program (GCNSP) has adopted the HOME Program Rehabilitation Standards for NSP 1; and, will continue to use these standards in the implementation of NSP 3. In addition, GCNSP will require the use of energy efficient materials where effective and financially practical and allowed by local code. This includes the use of durable materials, resource efficient materials, heat absorbing materials, solar reflective paving, green roofing and use of local source materials. Healthy Homes practices will also be required where effective and financially practical, including Green Label Certified floor covering, use of alternative healthy floor materials, sealing joints, termite-resistant materials, one-piece tub and shower enclosures. A Green maintenance guide will be provided to home buyers, if available, and residents' orientation will be given.

Vicinity Hiring:

The investment of NSP 3 funds in the target area will generate potential jobs to those living in the target area. The Asset Manager(s) will be required to advertise for workers through ads in publications, mailings, ads on government web sites, posted announcements in community centers, churches and at the NSP 3 job sites. The local office of the Georgia Department of Labor will also be notified. Proof of these actions will be filed with the GCNSP office and records of locally employed persons will be maintained by the Asset Manager(s), with copies provided to the GCNSP office.

Procedures for Preferences for Affordable Rental Dev.:

Rental housing will be provided by a GCNSP selected Asset Manager(s) (a for-profit and/or non-profit contractor or developer) who has experience in the development and operation of rental housing for low-income families. The GCNSP will loan the Asset Manager(s) the funds to purchase and rehabilitate rental units, including initial capitalization funds. The loans will be backed by promissory notes, security deeds and land use restrictions that set forth the responsibility of the Asset Manager(s) to provide housing for low-income families during the affordability period. These documents will have reversion provisions if the Asset Manager(s) does not provide the housing as set forth in the documents.

Overall Progress Narrative:

The Gwinnett County Neighborhood Stabilization Program (NSP) was established with the purpose of stabilizing communities in the County that have been hit hardest by the foreclosure crisis. Through this valued program Gwinnett County acquires homes that have been foreclosed or abandoned. These homes are then rehabilitated and sold to income eligible homebuyers.

From April 1, 2015 – June 30, 2015, Gwinnett NSP did not acquire any properties. To date, there were 11 rehabilitated homes which have been sold to low-income homebuyers and 10 mid- to moderate-income homebuyers.

Gwinnett County completed construction in October 2014 on the Oakland Downs Townhome Community. This project utilized NSP funds to construct 8 townhomes for low-income first-time homebuyers in Lawrenceville. To date, seven townhomes have been sold to low-income eligible homebuyers.

Gwinnett County has received \$1,515,715.94 in program income from the resale of rehabilitated properties. These funds, in combination with the grant award (\$2,065,581.00), are expended to meet the national objective of housing low- to moderate-income persons. Grant to date, Gwinnett County has expended \$3,235,498.74 from program income and program funds which represents 157% of the original grant award.

During the reporting period (April 1, 2015 – June 30, 2015), Gwinnett NSP did not acquire any new properties and one low-income eligible home was sold at the Oakland Downs Townhome development.

Gwinnett County staff continues to prepare to closing out its HUD funded NSP3 grant. During the reporting period (April 1, 2015 – June 30, 2015), Gwinnett NSP did not acquire any properties and disposed of five properties. Gwinnett County NSP staff is currently planning an NSP stakeholders meeting to provide all parties with a plan on how to proceed towards closeout prior to the end of the next reporting period.
