Letter from the Chief

The year 2017 was another busy year for the Gwinnett County Police Department. Together, we made significant improvements in our ability to provide services throughout Gwinnett County. Among the accomplishments were:

- We continued with the goal of providing justice to victims and their families. Our Homicide Unit worked diligently throughout the year. The homicide solve rate was 100 percent in 2017, as compared to the national average of 59.4 percent.
- We continued community outreach efforts through programs such as our Multicultural Festival, Public Safety Fall Festival, and Coffee-with-a-Cop events. These events allow us to successfully engage with members of the community and the agency continues to receive positive feedback as a result.
- The department engaged residents, businesses, and relevant stakeholders in a wide variety of crime prevention strategies to prevent crimes from occurring. The department offered 1,063 crime prevention programs that were attended by 46,017 residents.
- We expanded our Youth Police Academy to cover two weeks. One week is dedicated to middle school students while a second week is reserved for high school students.
- Our volunteer program delivered a total of 10,121.75 volunteer hours for police support valued at \$233,508.77.
- Our Body Worn Camera project was initiated and we expect to have full implementation by fourth quarter 2018.
- We expanded our recruiting efforts and successfully hired 100 applicants for the position of Police Officer.

Although the department faced numerous challenges again in 2017, we remained focused on providing our residents the best law enforcement services possible. We will continue to serve our community with our core values of Integrity, Courtesy, Pride, and Professional Growth in mind. Through the delivery of professional law enforcement services, community engagement and effective partnerships, we will continue to keep Gwinnett County a great place to live

The Gwinnett County Police Quality of Life Unit is a community-oriented, pro-active and complaint responsive enforcement team designed to improve the quality of life for Gwinnett County residents. The unit accomplishes this by enforcing county ordinances and zoning regulations. The unit's primary goal is to improve the quality of life for residents in Gwinnett County by selective enforcement in high crime and depressed areas.

The Quality of Life Unit (QOLU) is a specialized component of the Uniform Division within the Special Operations Section. The QOLU is further divided into two distinctive squads, Police Enforcement, and Code Enforcement. These squads are both proactive and reactive to quality of life complaints and violations.

Special Weapons And Tactics Team/Hazardous Device Unit
